

JANE TYLER LEGACY FUND NEWSLETTER JUNE 2024

Hi to our Donors who have given to the Jane Tyler Legacy Fund

We are sending you this newsletter with updates from the recipients of the JTLF this year. It warms our hearts to read their words telling us how important your donations have been for them and for their children. We would love to be able to fund even more single mums. However, we are happy that our fund allows us to make 4 grants a year. We know that these bursaries change the lives of our recipients and their children for the better now and into the future.

Your donations do make a huge difference to them, as they attest.

Thank you!

Gale Tyler and the JTLF advisors.

HIGHLIGHTS:

Donors helped raise \$6000 in our annual draw and many donors make this event their annual donation to JTLF.

We also received a generous legacy gift this year and many one time generous donations. All these forms of giving allows the JTLF continue to provide a gift of dignity , empowerment, stability and hope.

We granted 4 single mothers money to help them with tuition at 4 different post secondary institutions

Messages from the recipients:

The Jane Tyler Legacy Fund not only provides me with financial relief. It also gives reassurance that there are people who support me in my endeavor, and promote social change regarding attitudes around single mothers. At the very least, I hope to provide my daughter with the confidence that, if she ever finds herself as a single mother, she can refuse the limits imposed by stigma and pursue fulfillment of her choice. On behalf of my daughter and I, thank you for your support in my studies.

Your fund is pivotal both financially and psychologically in my pursuit of education.

Thank you again for selecting me as a recipient,

Jaide

My name is Kimberlie, and this is my child Leo. Thanks to your generous donations, I can breathe a little easier knowing my practicums are paid for. As a single mother on disability with no extra financial support and no access to student loans, this bursary helps me succeed in my number one goal of breaking the generational trauma cycle, not only for my little family, but for the future families I am learning to support.

Thank you from the bottom of my heart for being a part of my journey in showing Leo you can always want more in life, it is never too late to accomplish your dreams and your past does not define your future.

Forever grateful Amanda

This year, I had the incredible opportunity to receive the Jane Tyler legacy grant, which has been instrumental in supporting my tuition for the BSN nursing program at Camosun College and the University of Victoria. Determined to secure a more stable future, I decided to further my education and aimed for the BSN program.

Currently, I am completing my second year of the nursing program and have secured a student nurse position for the summer in the Palliative/Oncology ward at Royal Jubilee Hospital. I am on track to graduate with my BSN in 2026. While my passion lies in hospice and palliative care, I am also considering emergency nursing due to my high-energy nature.

I truly couldn't be here and be sharing this with you if it hadn't been for the support I received from organizations like the Jane Tyler Legacy Fund and its generous donors.

I am so appreciative, both for the financial support and for the positive encouragement helping me believe that I really could do this.

Thank-you for everything.

Tracey

Donate online:

We want to thank our donors for supporting our fund raising efforts such as our Annual Christmas Draws, for donating yearly and for adding us to your legacy in your wills, as some of you have told us you have done.

We and our recipients are grateful for your generosity.
